#### IMPORTANT INFORMATION: PLEASE READ BEFORE ORDERING.

WE ACCEPT ALL MAJOR CREDIT & DEBIT CARDS, PAYPAL OR BANK TRANSFER.

Orders may be placed by telephone, e-mail or via our secure website, paying by debit or credit card. You may also use the order form inside the rear cover.

U.K. POSTAL CHARGES (including Northern Ireland and the Highlands and Islands). A single medium-sized book of less than 1kg will only cost £4.00 to send. Any parcel weighing 1kg or more, that is one large book or a number of books, will be usually be charged at £6.00.

All UK parcels are sent by the Royal Mail tracked service and will usually be delivered within two days of despatch. If you are not likely to be at home to accept deliveries, please give alternative instructions (Leave with neighbour; leave in greenhouse; etc.), or provide an address where the parcel can be accepted.

OVERSEAS POSTAGE. Overseas parcels are charged at cost. Untracked transatlantic air-mail is quite reasonable. Typically one book costs £9.00 to send, two or three together about £14.00.

Tracked overseas services are available. Please ask for a quotation.

**Bloody Brexit.** European postal services may charge a Customs/VAT fee. I'm afraid that is out of my hands.

PROBLEMS? As most of you know, we usually send out orders within 24 hours. However, after sending out a new catalogue, and during the run-up to Christmas, this may not be possible. It may take us a week or so to process your order, and there is also the possibility of delays by our suppliers, and by postal services. At such times please allow 14 days before telephoning to follow up your order. When placing telephone orders you will be given an order reference number. Please retain this and quote it when making further enquiries.

AVAILABILITY. At the time of printing all of the books in this catalogue are in stock or can be obtained within two or three days. Of course we may run out, or a book may go out of print. Prices will be held until 31.12.2023.
